

Welcome to the Vance minute. I'm Joe B. Wiles with the Public Affairs Office...

This past week, the Vance Chaplain corps joined a class of student pilots who were learning how to properly land if they should ever eject from an aircraft.

While the students were bouncing on the end of parachute risers, the chaplains and chaplain assistants were sharing who they were and the myriad of services the Chapel offers.

According to Chaplain Randall Groves, the senior chaplain at Vance, the visits with new student pilot classes puts a face on the services that can prove helpful during the year-long stress-filled journey to earning pilot wings.

Those services include relationship, marital and premarital counseling. The chaplains provide both faith-based and secular help.

Team Vance's annual Combined Federal Campaign Golf tournament held October 18th at Meadow Lake Golf Course raised \$650 for the 2014 donation drive.

CFC is the world's largest and most successful workplace charity campaign.

That's your Vance Minute...have a great Air Force day.
